

Oklahoma Appaloosa Racing Stallion Auction Contract

1. Ten percent of the proceeds for Stallion Services sold will be set-aside in the Stallion Donor Account. Annually, the 10% will be held until the resulting foal's 2 year old year. During the two year old year, an OAR sponsored race will be designated as a Stallion Donor awards race. The race for **2015** will be determined later. If any foal sired by a stallion that has his service sell in the **2012** Stud Auction (or after the auction), for a **2012** breeding, places 1st, 2nd or 3rd in the **2015** designated race, a Stallion Donor award will be paid to The owner of the stallion at the time of the breeding. Such awards will be paid out on a basis of 50% for 1st, 30% for 2nd, and 20% for 3rd. This account is interest bearing and such interest is retained in the account and is available for awards. Any monies not awarded (due to non-donated sired horses finishing in the top 3 of the designated race) will be carried over and added to the monies available to be distributed in the following year.

2. Terms of the sale are cash payments in full, or 40% down at the time of sale and balance paid 30% in 30 days and 30% in 60 days. Failure to pay in full at the end of 60 days could result in forfeiture of the portion paid and the service may be resold and not honored by the stallion owner.

3. The minimum bid shall be \$300 unless a stallion owner sets it at a different amount. Funds will be used as added money in Oklahoma races. On the purchase of the Thoroughbred and Quarter Horse Stallion Services, the breeding is for Appaloosa mares only unless the stallion owner does not restrict it to Appaloosas only.

4. If in the future, the track does not run a race that was designated for Stallion Donor awards, the OAR Inc. Board of Directors will select another race for such year to apply these conditions towards.

5. Stallion service buyers are to contact the stud farm about any EVA requirements.

6. Any extra ApHC fees incurred by non-appaloosa stallion owners are to be paid by the mare owner purchasing the service.
