BBR WORLD FINALS IN OKLAHOMA CITY

AUGUST 12TH - 16TH 2020

The Oklahoma Appaloosa Racing has been diligently working to increase the numbers of Appaloosas on track. There is a high demand for off the track Appaloosas to be retrained for barrel horses. The All Appaloosa Barrel Incentive is being added to the 2020 BBR World Finals in hopes of adding more Appaloosas in the arena as well. To offer this incentive sponsors are needed. Sponsorships are open to owners, farms, stallion owners, breeders, trainers, or distributors/suppliers.

The Added Money will be distributed amongst the highest placing Appaloosa in each division. Includes advertising at the BBR World Finals booth in and banner, social media, and the Oklahoma Appaloosa Racing website for the year. Please include any flyers or pictures that you would like to be used for advertising purposes or at the booth.
